

Global Lending Solutions: Client Testimonials

I have been referring clients to Rex and Joe at Global Lending Solutions for the past three years. I keep referring clients because they get deals done on time, find the best rates and know the market. It's very re-assuring to know I don't have to worry about a deal closing on time because of the lending not being in place.

Real Estate Marketing Associates Working with Kimberly Burkhardt and her team at Global Lending Solutions is an absolute pleasure. In this business, it is a breath of fresh air to work with people who value the quality of the product they provide to the public. Each closing that we have conducted for Kimberly has been handled with a personal touch by her team.

For example, Kimberly strives to provide the most convenient experience for her client through after hour closings or off site closings depending on the special need of each customer. I have personally seen her dedication to making sure every last detail is thoroughly explained and understood. She is definitely one of the best in the business.

Thank you,

Senior Escrow Officer Joe,

I just wanted to send a note to say thank you again for all that you did to make the purchase of my house so easy! You down played most of your efforts but after seeing just a tiny bit of the stress that a builder can add to the situation, I was glad to be doing business with you. I hope you have a wonderful holiday season and best of luck in the new year.

Thank you,

Melanie EllisKimberly,

I just wanted to drop you a note and thank you for your business work ethics and professionalism performed in recent loan transactions. I have become dependent on you as an adviser in loans and in your team to stay on top of things when it comes to multiple tracking of people and timing issues in a loan situation. I'm sure to recommend you when the need of a loan comes up.

Thanks,

Terry and Kristina Dearman My experience with Kimberly Burkhardt at Global Lending Solutions was phenomenal. She worked nights and weekends to get my financing done. She encouraged me and gave me hope. We had some credit issues, but Kimberly went beyond the call of duty to get us financing.

She never gave up. Not only did she get us financing, but she got us a good interest rate. I would recommend Kimberly to anyone. She is the main reason we got a home we love. Thanks for giving us a wonderful future.

How impressive that you came to the closing yesterday. I didn't expect that and you certainly exceeded our expectations. I know time is money and I truly appreciate you taking the time to be with us yesterday.

And Kobie....we didn't get to talk much but I'm told you are a super star and I'd say from what I did see of your hard work....you are truly good at what you do.

You are all very good at what you do....we were very blessed to have this team on our side!
